# EXCLUSIVE—PETER SCHWEIZER SLAMS BIDEN FAMILY PARDONS: ‘WE HAVE NEVER HAD SUCH A SELF-SERVING AND CORRUPT PRESIDENT’

Chip Somodevilla/Getty Images

by [WENDELL HUSEBO](#) · 20 Jan 2025 ·

Former President Joe Biden’s pardon of five family members before leaving office “confirms the deep corruption” during the past four years, says Peter Schweizer, the president of the Government Accountability Institute and Breitbart Senior Contributor.

Receiving clemency raises questions about potential wrongdoing, Schweizer suggested in his immediate reaction to the outgoing president’s announcement.

The family members pardoned include: James B. Biden, Sara Jones Biden, Valerie Biden Owens, John T. Owens, and Francis W. Biden.

“This pardon is an utter disgrace. A singular act that confirms the deep corruption he has denied for years. We have never had such a self-serving and corrupt president in our history,” Schweizer said.

Schweizer’s book, *Profiles in Corruption: Abuse of Power by America’s Progressive Elite*, first identified the family members as the “Biden 5.”

Then-President Biden claimed he pardoned family members because they were victims of politicization.

“My family has been subjected to unrelenting attacks and threats, motivated solely by a desire to hurt me — the worst kind of partisan politics,” Biden wrote in a statement. “Unfortunately, I have no reason to believe these attacks will end.”

“That is why I am exercising my power under the Constitution to pardon James B. Biden, Sara Jones Biden, Valerie Biden Owens, John T. Owens, and Francis W.

Biden,” he added. “The issuance of these pardons should not be mistaken as an acknowledgment that they engaged in any wrongdoing, nor should acceptance be misconstrued as an admission of guilt for any offense.”

Last December, Biden [pardoned](#) his son Hunter for any federal crimes committed during a nearly 11-year span, despite repeatedly vowing he would not do so. Schweizer also first [connected the dots](#) between Hunter’s lucrative international business career and Biden’s influence as Vice President in his book *Secret Empires. How the American Political Class Hides Corruption and Enriches Family and Friends*.

# GENERAL MILLEY PORTRAIT REMOVED FROM PENTAGON HOURS AFTER TRUMP SWORN IN

Thomas Niedermueller/Getty Images

by [ALANA MASTRANGELO](#) · 20 Jan 2025 ·

A recently unveiled portrait of retired General Mark Milley was taken down at the Pentagon just two hours after President Donald Trump was sworn into office for the second time, according to reporters.

Milley, who was preemptively [pardoned](#) by former President Joe Biden just hours before his presidential term came to an end on Monday, apparently had his recently unveiled portrait removed at the Pentagon.

The portrait of the former Chairman of the Joint Chiefs of Staff and retired general had been unveiled at the Pentagon just ten days earlier, during the Biden administration.

A U.S. official said “the White House” ordered the removal of the portrait but declined to provide any further details, according to a [report](#) by *the New York Times*.

As Breitbart News [reported](#), Milley left behind a military that is less trusted than

when he first became the chairman and facing a historic recruitment crisis.

Moreover, he repeatedly injected himself into politics during his service as chairman, an unprecedented move, as the position of chairman of the Joint Chiefs of Staff is viewed as apolitical.

Milley also turned on Trump after he was criticized by the media for walking with the 45th president in a show of strength after Black Lives Matters rioters set fire to a historic church at Lafayette Park.

He publicly apologized for appearing with Trump and sat for a number of interviews with book authors who revealed Milley had

acted to undermine the president's authority after the 2020 election, while the government prepared for the then-incoming Biden administration.

In 2023, Milley stepped down from his position as chairman of the Joint Chiefs of Staff before [alluding](#) to Trump as a "wannabe dictator."

Battle Hymn of the Republic | The Tabernacle Choir

**JUDY NOTE:** My armchair observations of the unusual Trump inauguration:

Fox Newscasters complained that Trump's swearing in started too early and before Melania had a chance to carry the Bible up to the podium. The Bible and Trump's hand were covered from sight, but an insider took a picture (posted on Telegram) that showed Trump's hand stayed to his side while he took his oath of office.

That appeared pretty intentional that Trump didn't put his hand on the Bible while he was being sworn in as President of US Inc. I say that was because from what I understand he had already taken his oath of office, but that was to President of the Restored Republic United States of America. Rumor was that happened on Thurs. 16 Jan.

On the other hand, (Vance's hand that is), the US Inc. Vice President did swear on the Bible his allegiance to office on Monday - it makes you wonder who was sworn in as Trump's Vice President of the Restored Republic United States of America on Thurs. 16 Jan. Rumor was that JFK Jr. has been playing that part since July 4 2021.

You see, we have unknowingly been living under two sets of rules since Biden's 2020 fraudulent election. One was that Trump handed his authority over to the Military before he left office, remained as Commander-in-Chief and we were living under Martial Law so Trump could catch the bad guys.

The second was that Biden wasn't Biden, but played by actors. Evidently Biden was caught in a number of crimes including Child Sex Trafficking on his Ukraine property's underground tunnel, had undergone a Tribunal at GITMO and was hanged well before his so-called fake inauguration in 2021. Sun. 7 Feb. 2021: Congress, Biden Arrested as Military Rescues Tortured Children From Tunnels Beneath Capitol Hill | Politics | Before It's News

On Mon. 20 Jan. House Speaker Mike Johnson just confirmed so when he announced that Joe Biden was never the US President and all decisions were made by Globalists (loyal to the privately owned US Inc.) who were at war with America. Not long ago the House Speaker had finally gained a meeting with Biden, who wouldn't meet with him without a CIA agent present and couldn't remember signing important Executive Orders.

Speaking of US Inc. and Washington DC, that District of Columbia's name was changed on inaugural announcements to the City of Washington. Was the city no longer the Globalist owned and run Washington DC?

Sitting across the left side of the isle during Trump's inaugural speech were a very glum Biden, Harris, Obama, Bill and Hillary Clinton. They didn't smile, clap or stand up as so many times the audience did

while Trump went over the many immediate changes he was going to make to their New World Order Agenda plan of taking over America.

After all, Biden wasn't the only one charged with Treason and awaiting arrest. Mon. 10 May 2021: Biden, Harris, Milley Charged with Treason, Tribunals at White House, Mass Arrests, Martial Law | Politics | Before It's News (beforeitsnews.com)

Trump's speech reminded me of the 1974 speech that Robert Welch—founder of The John Birch Society—gave that warned of the Globalist plan to destroy America. “A part of that plan... is to induce the gradual surrender of American sovereignty, piece by piece and step by step, to various international organizations, of which the United Nations is the outstanding example.”

You see Trump has been doing a heck of a lot behind the scenes: Fri. 28 Aug. 2020: Trump Heads Rescue of Thousands of Tortured Children from Underground Tunnels | Politics | Before It's News (beforeitsnews.com)

Just by their attitudes during the Monday inauguration the former Presidents Biden, Obama and Bill Clinton, plus wanna-be US Presidents Harris and Hillary made it clear to the general public that they were very against Trump and very much for the Globalist Agenda.

But then, why should we worry? None of them were in power anymore. In fact, if Michael Baxter, the official reporter for GITMO, was accurate, all were already dead - with clones and actors acting their part. Just research his website: Michael Baxter | Real Raw News

Baxter's latest article: Mon. 20 Jan. 2025 Michelle Obama aka Michael L. Robinson Arrested & Taken to GITMO. <https://rumble.com/v6bkoms-michelle-obama-.aka.-michael-l.-robinson-arrested-and-taken-to-gitmo.html>

At the 11th hour, Biden issued pardons for multiple members of his family: James Biden, Sara Biden, Valerie Biden Owens, John Owens, Francis Biden. Why? Why pardon someone who wasn't charged with anything? Makes you wonder if they should be. Doesn't really matter anyway. Within a couple of hours of Trump's inauguration, he rolled back all of Biden's Executive Orders in one fell swoop

Trump wasn't about to let the Globalists get away with anything anymore. Another rumor going around was that Trump planned his inauguration as a massive sting operation for the Globalists and there were mass arrests going on. That's why he invited Benzos and other big name Globalists.

He even had plans for those not attending. Don't you think that it's quite a coincidence that the President of Planned Parenthood died right as everyone was getting seated for Trump's Inauguration ceremony?

- Military sources reveal Trump is with several high ranking Generals and Commanders and very important ex Generals and Elite civilian ex- Commanders including Ezra Cohen-Watnick. They are going to initiate control of the United States military under the command of the United States people.
- Civilian Control of the U.S. Military: Civilian control over the US military refers to the doctrine that places ultimate responsibility for a country's strategic decision-making in the hands of the state's civil authority, rather than completely with professional military leadership itself.
- This means that the military is subordinate to the civilian government, and that decisions regarding the use of military force are made by elected officials, such as the President and Congress, rather than by military leaders.
- In the United States, civilian control over the military is established by the Constitution, which gives Congress the power to declare war and makes the President the commander-in-chief of the armed forces. The War Powers Resolution of 1973 also plays a role in ensuring civilian control by requiring the President to consult with Congress before taking military action.
- The concept of civilian control is often seen as a prerequisite feature of a stable liberal democracy. It is intended to prevent the military from becoming too powerful and to ensure that the use of military force is subject to democratic oversight and accountability.
- It is an ongoing process. The US military is subject to civilian control on a daily basis, with the President, Congress, and other civilian officials making decisions about military policy and operations.
- There have been instances in recent years where the balance of power between civilian and military leaders has been called into question. For example, in 2022, there were concerns that civilian control over the military was eroding, with some commentators arguing that the military was exerting too much influence over policy decisions.
- It's worth noting that the US has a system of checks and balances, which ensures that power is distributed among different branches of government, and that no one branch, including the military, has too much power.

K. MON. 20 JAN. 2025: WHY IS THE Q OATH IMPORTANT? ...JFK Awakening Q17 on Telegram

- The “Q Oath” is special in that it is a modern-day version of the revolutionary spirit of the founding fathers of the US. (Note: the “Q Oath” is a loose term referring to the suggestion by QAnon to “take the oath” in post 4510.
- It is also the ostensible “oath of a digital soldier” which means, like a military unit, we are pledging to work together to defend and protect the US and further, the spiritual mission started over 200 years ago by the founders.

- By all accounts, Q, Trump, and General Flynn are quasi leaders. But, like all true warriors, we more truly follow God, the truth, and law. Thus, whenever anyone person errs or falls off the path of honor (even if it's POTUS, the Q Team or General Flynn), we do not follow them blindly, we follow God. Hence, the part of the Declaration of Independence wherein it discusses the dissolving of an unjust government when it seeks to go against God's will.

- The Q Oath particularly recognizes, amongst all the things already mentioned, that there are specific objects or mission objectives (defined in post 4509), to identify and disable individuals and groups, with minimum necessary force, in honor of their rights and the rule of law, who we generally call the "children of darkness, the Deep State or the Cabal" and their deceived underlings, our fellow citizens and spiritual brothers and sisters who are confused and misguided. In other words, since the "battle" is an information war, we must use our wits, knowledge, and persuasion to help awaken others to the truth, and limit the impact of false knowledge and disinformation used by the cabal to confuse others.

- Q admonishes us to use memes and information to spread the truth, help wake up the sleeping masses, and work with him, and those in law enforcement and government, to remove the corrupt forces who have infiltrated our great nation, and return the power to the people, under God.

L. MON. 20 JAN. 2025 EXPLOSIVE: JENNIFER ANISTON ARRESTED! ...QAnon Warriors

- Hollywood's darling, Jennifer Aniston, has been caught in allegations of human trafficking and political corruption, signaling a potential collapse of Hollywood. As the world reels from the shock, questions about the depth of Tinseltown's darkness come to light. Is this the end of an era?

- THE FIRST INDICTMENT: A CATALYST FOR CHANGE: Jennifer Aniston's rumored arrest could be the tipping point for Hollywood. Long whispered in conspiracy circles, this event might trigger a "mass awakening," suggesting the entertainment industry is more about hidden agendas and illicit activities than glitz and glamour.

- FROM AMERICA'S SWEETHEART TO CENTER OF SCANDAL: Aniston, celebrated since the '90s and born on February 11, now finds her clean public persona clashing with dark accusations. Her birthday's proximity to major events like the Super Bowl adds layers of suspicion to the timing of these allegations.

- FOLLOW THE MONEY: QUESTIONABLE CHARITY LINKS: Aniston's extensive philanthropy is now scrutinized. Critics argue that some organizations she supports may have ties to human trafficking and adrenochrome operations. Was her involvement in these charities naive or nefarious?

- SMARTWATER AND HIDDEN MESSAGES: Aniston's promotion of Smart-water has taken a dark turn among conspiracy theorists who suggest the brand may be connected to larger, covert operations. The phrase "watch the water" is suspected to carry sinister implications.

- POLITICAL CONNECTIONS AND CONTROVERSIES: Aniston's support for high-profile Democrats and her contributions to the anti-Trump Lincoln Project, which has faced its own scandals, raises questions about her influence and the broader implications of her political ties.

- HOLLYWOOD SYMBOLISM AND HIDDEN AGENDAS: With Aniston's ex-husband starring in a film rich with cryptic symbols and released on a date with numerical significance, theorists are abuzz about Hollywood's manipulative practices. Her connections may reveal more about the industry's secret power dynamics.

- ST. JUDE AND UNCOMFORTABLE QUESTIONS: Aniston's association with St. Jude Children's Hospital brings up disturbing allegations. Critics suggest such reputable institutions could be fronts for darker activities, intensifying scrutiny around her involvement.

- THE AGING PARADOX AND ADRENOCROME RUMORS: The once age-defying Aniston is now subject to rumors about her use of adrenochrome, with some suggesting her recent changed appearance might be due to shortages affecting Hollywood elites.

psychological impact on the American public.

The plan: false-flag attacks, sniper and advanced EMF devices deployed to disrupt communications, gangs to incite violence, forcing parents as domestic terrorists, Weaponized Pathogens and Bio-Weapons release to make the incriminated and elite Trump supporters, paving the way for martial law and draconian

#### O. NATIVE HAWAIIAN DEW VICTIMS OF MAUI, HAWAII:

The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m. Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.

The resulting fires were the most devastating mass casualty events in the Hawaii State history: 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/ unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.

Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.

Donations were still needed, but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

P. TIM BALLARD has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. If you would like to support Ballard's unjust persecution, contribute here: Ballard Family Defense Fund on GiveSendGo [Here](#);

#### Q. "KEN AND BARBIE VS. GOLIATH IRS":

Ken Cromar presently sits in jail having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested almost a year ago and has been sitting in jail without the ability to file an appeal because he won't be sentenced until 20 Dec. 2024.

· Ken really appreciates receiving encouraging messages in postcards. White, pre-stamped postcards with your name and complete return address hand-written is the only thing accepted at the jail. Paul Cromar #567164 Davis County Jail P.O. Box 130 Farmington, UT 84025-0130 Donations for commissary and other needs can be made at: <https://www.miraclesingodwetrust.com/contact/>

R. ALL TOM FAIRBANKS DID WAS TO SPEND MUCH OF HIS LIFE GATHERING EVIDENCE ON THE RITUAL ABUSE OF CHILDREN IN UTAH.

In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

S. JUDY NOTE:

Jenny Hill and I spent 20 years writing her biography, "22 Faces" to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

"22 Faces" explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of "22 Faces" was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist's negative comments and one star reviews of "22 Faces" on Amazon, the pedophiles were effective in plunging book ratings.

"22 Faces" was now re-published and it wouldn't be a surprise to find those same perpetrators organizing another attack on the book - all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us - in our own neighborhoods - right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.

# Trump belooft op dag één een einde te maken aan 'transgender waanzin'

januari 14, 2025

Foto Credit: Slaynews.com

**P**resident Donald Trump heeft beloofd dat hij op "Day One" van zijn tweede termijn in het Witte Huis een einde zal maken aan de "transgender waanzin" met uitvoeringsbesluiten.

Trump bevestigde de belofte tijdens een toespraak op de conferentie America Fest van Turning Point USA vorige maand, schrijft [Frank Bergman](#).

"Met een pennenstreek op de eerste dag zullen we de transgender waanzin stoppen," zei Trump.

"En ik zal uitvoeringsbevelen tekenen om seksuele verminking van kinderen te beëindigen, transgenders uit het leger te halen en uit onze basisscholen, middelbare scholen en hogescholen," zei hij terwijl de menigte uitbarstte in gejuich en applaus.

"En we zullen mannen weren uit vrouwensporten. En dat zal ook gebeuren op dag één. Zal ik dag één doen, dag twee, of dag drie? Wat dacht je van dag

één?" zei hij.

"Onder de regering Trump zal het officiële beleid van de regering van de Verenigde Staten zijn dat er maar twee geslachten zijn: mannelijk en vrouwelijk."

Vrouwensportactivist Riley Gaines vierde de toespraak.

"Beloftes gemaakt, beloftes gehouden," [schreef ze](#) in een bericht op X.

Het officiële standpunt van de regering Biden is dat staten minderjarigen met geslachtsverwarring niet mogen verbieden om permanent schadelijke medicijnen en operaties te ondergaan.

Vorige maand [pleitte](#) de advocaat-generaal van Biden voor het Hooggerechtshof tegen verstandige wetten in Kentucky, Tennessee en elders die de procedures verbieden.

Naast het promoten van het valse idee dat iemand van geslacht kan veranderen, worden transgendermedicijnen en -operaties ook in verband gebracht met [verlies van botdichtheid](#), [onvruchtbaarheid](#), [hartaandoeningen](#) en andere ernstige schade.

### **Het Grote Uitleggen komt eraan**

Ondertussen hebben onderzoeken bevestigd dat [ongeveer 80 procent](#) van de mensen met geslachtsverwarring hun problemen op natuurlijke wijze ontgroeien.

Degenen die niet uit deze fase groeien, kunnen ook baat hebben bij counseling om de oorzaak van het probleem aan te pakken.

Trump heeft vaak beloofd de "transgender waanzin" aan te pakken, vooral als het kinderen betreft.

Tijdens een campagnetoespraak in 2023 [zei](#) Trump :

“Op dag één zal ik een nieuw uitvoeringsbevel ondertekenen om de federale financiering te verlagen voor elke school die kritische rassentheorie, transgender waanzin en andere ongepaste raciale, seksuele of politieke inhoud op onze kinderen richt. En ik zal mannen weghouden van vrouwensporten,” beloofde president Trump.

“Ik zal een wet tekenen die seksuele verminking van kinderen in alle 50 staten verbiedt.”

Ondertussen wordt de steun van vicepresident Kamala Harris voor gratis transgendermedicijnen en -operaties voor gevangenen, samen met de weigering van de Democratische Partij om geslachtsverwarde mannen te verbieden deel te nemen aan meisjessporten en hun kleedkamers te gebruiken, beschouwd als een van de redenen waarom Trump won.

De Democraat Seth Moulton uit Massachusetts kreeg te maken met kritiek van transgenderactivisten omdat hij na de verkiezingen zei dat zijn partij te extreem is in sommige genderkwesties.

“Democraten besteden veel te veel tijd aan het proberen niemand voor het hoofd te stoten in plaats van eerlijk te zijn over de uitdagingen waar veel Amerikanen voor staan,” zei Moulton na de verkiezingen.

“Ik heb twee kleine meisjes, ik wil niet dat ze op een speelveld worden omver gelopen door een mannelijke of voormalig mannelijke atleet, maar als Democraat word ik verondersteld bang te zijn om dat te zeggen.”

Ondanks het verlies van de partij in november, drong voormalig perschef van het Witte Huis Jen Psaki er bij de Democraten op aan om er nog een schepje bovenop te doen.

Psaki riep links op om de transgenderagenda te blijven promoten, waarbij ze Moulton specifiek terugfloot.

## Biden's pardon for Fauci 'is in no way going to stop congressional investigations'

By **Bob Unruh** |

January 21, 2025

Dr. Anthony Fauci

One of the more controversial pardons unleashed by Joe Biden on his way out the door of the White House was for Anthony Fauci, the former federal health official.

He reportedly was involved in the origins of COVID-19 to the extent of allowing American funding of the dangerous gain-of-function research in China, and then he demanded that Americans submit to the COVID-19 shots that were created in response to the pandemic that killed millions around the globe.

Those shots themselves have now been confirmed as carrying side effects that could be fatal.

And don't forget the masking and social separation demands.

He once boastfully proclaimed that he is the "science" on the questions of COVID.

WND reported that Fauci promptly

expressed his appreciation for the pardon but proclaimed his innocence.

Social media immediately responded with confirmation that people will think Fauci did something wrong, no matter his protestations.

And now a statement from the group called Children's Health Defense said the investigations – and even possible charges – will happen no matter the pardon.

Mary Holland, the organization's chief, explained, "This is another way that the Biden administration is trying to put a shadow over the incoming administration to preserve its own power and to undermine anything that a new administration might do. What we know is that Tony Fauci lied throughout COVID."

She continued that the pardon "is in no way going to stop congressional investigations, and it will not necessarily stop other federal investigations or charges related to other things like taxes, and it won't stop state prosecutions or possibly

other prosecutions by other countries."

“I really truly appreciate the action President Biden has taken today on my behalf. Let me be perfectly clear, Jon, I have committed no crime, you know that, and there are no possible grounds for any allegation or threat of criminal investigation or prosecution of me,” he claimed.

Fauci said he is grateful because the threats and possibility of a politically motivated prosecution “creates immeasurable and intolerable distress on me and my family.”

In fact, Biden's pardon protects Fauci from federal charges over events that have happened.

Holland noted her organization welcomes congressional review of Fauci's actions, especially a commitment by Sen. Rand Paul, R-Ky., of the Senate Homeland Security and Governmental Affairs Committee, "to investigate the government's handling of the COVID-19 pandemic, including the role played by Anthony Fauci."

"It's entirely appropriate to investigate Dr. Fauci and his role. One of the things that's positive here is that because he has been preemptively pardoned, he will not be able to assert a 5th Amendment protection in Congress when he is going to be investigated. There's no question that Senator Rand Paul, in particular, has every intention of going forward to investigate this man."

CHD reported that its founder Robert F. Kennedy, Jr., now a nominee by

President Trump for a federal health post, has investigated Fauci in the

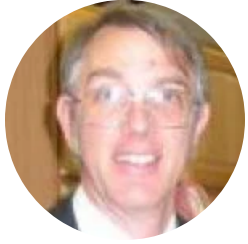

past, “finding a deep history of fraud and deception going back to the 1980s during the AIDS epidemic.”

Holland said that investigation profiles “that the kind of deception and likely fraud that he engaged in during COVID was nothing new. This started back in AIDS, and it’s really important that people understand this pattern in practice of basically working with Pharma to elevate and escalate Pharma profits over human life.”

Holland said the pardon is “not going to stop congressional investigations. If anything, it’s going to make them much more pressing and urgent. If the Department of Justice is completely hampered from doing its job, then others of us will just pick up that torch. And even if they’re not criminal investigations, investigations need to happen. We know that Tony Fauci lied.”

Biden’s pardon protects Fauci from events that have happened and federal charges from those. It does  protect him from state charges or international charges. Nor does it

provide protection for his future statements or actions.

# Biden's preventieve gratieverlening aan Fauci wekt verontwaardiging op en scheidt een gevaarlijk precedent

januari 22, 2025

**P**resident Biden heeft een controversieel preventieve gratieverlening verleend aan Dr.

## Anthony Fauci, om hem te beschermen tegen mogelijk strafrechtelijke onderzoeken.

- Het pardon heeft tweeledige kritiek uitgelokt, velen zien het als een schuldbekentenis en een gevaarlijk precedent.
- Fauci werd beschuldigd van het misleiden van het Congres over de oorsprong van COVID-19 en de beslissingen over de pandemie, wat tot publieke verontwaardiging leidde.
- Senator Rand Paul belooft Fauci te blijven onderzoeken, ondanks het pardon, om de waarheid over de pandemie aan het licht te brengen.

In een controversiële zet die scherpe kritiek kreeg van beide kanten van het politieke spectrum, verleende aftredend president Joe Biden een preventief pardon aan Dr. Anthony Fauci, de voormalige medisch hoofdadviser, enkele uren voor de inauguratie van Donald Trump op 20 januari. Het pardon, dat Fauci vrijwaart van mogelijk strafrechtelijk onderzoek, is alom veroordeeld als een schuldbekentenis en een [gevaarlijk precedent](#) dat machthebbers in staat stelt om verantwoording te ontlopen.

De beslissing om [Fauci gratie te verlenen](#), die een mikpunt van kritiek is geweest over zijn aanpak van de COVID-19 pandemie, heeft opnieuw debatten aangewakkerd over rechtvaardigheid, transparantie en de rechtsstaat. Critici beweren dat de zet het vertrouwen van het publiek in overheidsinstellingen ondermijnt en een angstaanjagende boodschap uitzendt: mensen in gezaghebbende posities kunnen levens in gevaar brengen en er ongeschonden vanaf komen als de president hen beschermt.

### Een gratieverlening die boekdelen spreekt

Biden's gratieverlening aan Fauci, samen met andere hooggeplaatste personen zoals de gepensioneerde generaal Mark Milley en leden van de 6 januari-commissie van het Huis, werd alom veroordeeld. Velen zien de preventieve aard van het pardon als een impliciete erkenning van wangedrag. "Als er ooit enige twijfel was over wie de verantwoordelijkheid

draagt voor de COVID-pandemie, dan heeft Biden's gratieverlening a  Dutch 

de zaak voorgoed beklonken," schreef Senator Rand Paul (R-Ky.) op X.

## **Politie schrijft open brief: LATEN WE TEGEN DE TYRANNIE OPSTAAN**

Fauci, die het gezicht was van de reactie van de federale overheid op de pandemie, is ervan beschuldigd het Congres te hebben misleid over de oorsprong van COVID-19 en de financiering van gain-of-function onderzoek aan het Wuhan Institute of Virology. Veel mensen vinden dat zijn beslissingen tijdens de pandemie hebben geleid tot onnodige doden, economische verwoesting en de uitholling van burgerlijke vrijheden. Door Fauci gratie te verlenen heeft Biden hem effectief afgeschermd van mogelijke juridische gevolgen, waardoor veel Amerikanen zich verraden voelen.

De gratieverlening scheidt een verontrustend precedent door machthebbers straffeloos te laten handelen. "Deze daad suggereert dat machthebbers zich aan de controle kunnen onttrekken, waardoor het publiek zonder antwoorden en zonder gerechtigheid achterblijft," schreef Sayer Ji op X. "Zo'n precedent kan niet onbetwist blijven."

Senator Paul, die voorzitter is van de Senaatscommissie voor Binnenlandse Veiligheid en Overheidszaken, heeft [verzekerd het onderzoek naar Fauci voort te zetten](#) ondanks het pardon. "Als voorzitter van de Senaatscommissie voor Binnenlandse Veiligheid en Overheidszaken zal ik niet rusten voordat de volledige waarheid over deze doofpotaffaire aan het licht is gebracht," zei Paul. Zijn inzet om de waarheid boven tafel te krijgen heeft weerklank gevonden bij velen die vinden dat Fauci's daden tijdens de pandemie een volledig en transparant onderzoek rechtvaardigen.

Het verzet tegen Biden's pardon was snel en tweepartijdig. Activist Riley Gaines noemde het "een nieuw dieptepunt," terwijl Tom Fitton, voorzitter van Judicial Watch, er bij president Trump op aandrong om de

gratieverlening te negeren en door te gaan met het onderzoek. "De algemene gratieverzoeken van Biden zijn nietig en grondwettelijk ongeldig en moeten worden beschouwd als zijnde zonder rechtskracht of effect," zei Fitton.

### **Nieuwe studie: Hydroxychloroquine had honderdduizenden levens kunnen redden**

Zelfs sommige Democraten hebben hun ongenoegen geuit over het concept van preventieve gratieverlening. "Ik denk dat preventieve gratie schuld lijkt te impliceren," vertelde Rep. Jake Auchincloss (D-Mass.) eerder aan NewsNation. Senator Amy Klobuchar (D-Minn.) sloot zich bij deze zorgen aan door te zeggen: "Ik vond de gratieverlening aan de zoon van de president maar niets. Ik vond dat niet verstandig."

### **Een nalatenschap van controversie**

Biden's last-minute gratieverlening, vooral die van Fauci, heeft een schaduw geworpen over zijn presidentschap. Door individuen af te scherm van mogelijke juridische consequenties, heeft Biden serieuze vragen opgeroepen over verantwoording en de rechtsstaat. Terwijl senator Paul en anderen hun onderzoek voortzetten, zal het Amerikaanse publiek nauwlettend in de gaten houden of gerechtigheid nog steeds kan worden gediend.

Uiteindelijk zal Biden's beslissing om Fauci gratie te verlenen misschien niet herinnerd worden als een daad van barmhartigheid, maar als een flagrant voorbeeld van hoe macht gebruikt kan worden om de machthebbers te beschermen ten koste van het volk.
